

Welcome to Blacker Communications:

a full-service, integrated marketing
communications agency.

WEB DESIGN :::: MARKETING :::: PUBLIC RELATIONS

www.blackercommunications.com

Blacker Communications is a marketing communications consultancy

and service agency that delivers measurable results. We're comprised of a family of marketing experts, including a diverse team of experienced and skilled professionals in areas such as advertising, public relations, publicity, art, design, account management and media relations.

With a wide array of skills in all facets of marketing communications, Blacker Communications combines big business savvy with small business consideration... essentially giving our clients the power of an ad agency, marketing firm, web-design company & a public relations firm at a price they can afford.

We specialize in:

- Public Relations/Press Releases
- Direct Mail, Newsletters and Marketing Materials
- Internet Marketing and Online Advertising Consulting
- Media Relations and Crisis Management
- Media Training
- Graphic Design
- Print Production & Layout
- Corporate Branding
- Publicity
- Special Events
- Community Relations

Whether you need ongoing advice in online marketing, temporary project management help or professional writing services on behalf of your executives, we can help.
